

MOTOTRBO DP1400 ACCESSORIES

FREE YOURSELF TO WORK MORE EFFICIENTLY

No matter where you go or what you do, MOTOTRBO™ is made for clear, coordinated communication in the busy workplace. To help you excel in your job, you need accessories that match the performance of your MOTOTRBO radio and that truly fit your environment. That's why it's important to use Motorola tested and certified accessories with your DP1400 portable radio. They're the only ones designed, built and tested with your radio to optimise its performance.

Only Motorola accessories unleash the full power of MOTOTRBO – the most advanced digital radio platform in the industry. So as you walk along the production line, across hotel grounds, or to the store stockroom, you can work more easily and efficiently wearing a comfortable, convenient accessory. Combine our best-in-class radios with DP1400 accessories to achieve even greater productivity and cost-savings. **Together, you'll rethink what's an accessory – and what's a necessity.**

OPTIMISED FOR DIGITAL

Make sure to only use Motorola audio accessories with this digital symbol, which indicates that these accessories have been optimised for performance in both digital and analogue mode. All accessories with this symbol have been certified and approved for DP1400 portable radios.

EARPIECES, SURVEILLANCE ACCESSORIES AND RSMs

A wide selection of styles fit the way you work – from discreet clear acoustic tube styles to over-the-ear models. With inline push-to-talk and microphones, these accessories are easy to access on the go, so you can stay focused on the job. Choose from a variety of surveillance kits and ear microphones to communicate discreetly.

KEEP THEM FOCUSED ON THE GO

WADN4190	Receive-Only Flexible Earpiece
PMLN4620	Receive-Only D-shell Earpiece

TEMPLE TRANSDUCERS

Temple Transducers provide clear audio without covering your ears. Because they rest comfortably on your temples, they make it easy to communicate and wear hearing protection or keep your ears uncovered to hear what is going on around you.

HEAR ONLY WHAT YOU NEED TO

TEMPLE TRANSDUCER

PMLN6541	Lightweight Temple Transducer Headset with inline microphone and push-to-talk
----------	---

HEADSETS

Our lightweight headsets provide lasting comfort and our heavy-duty headsets provide comfortable ways to protect your hearing in noisy environments. Even if your teams are logging extra hours stocking shelves or clocking overtime on the manufacturing line, they can communicate confidently. Heavyweight headsets offer extra durability and protection in more rugged and noisy environments.

HEADSETS

PMLN6538	Lightweight Headset, over-the-head, single muff with swivel boom microphone
PMLN6542	Mag One Ultra-Lite Headset, behind-the-head, adjustable with boom microphone and inline push-to-talk

MAG ONE

When you need a cost-effective solution for light-duty users, trust Mag One, the only value line tested and certified by Motorola. They extend the value of your radios without breaking your budget and are ideal for hospitality, security and retail teams.

VALUE MEETS VERSATILITY

BATTERIES AND CHARGERS

As an added plus, you can re-use all of your batteries and chargers from your existing Commercial Series portable radios. Since MOTOTRBO batteries are Proven Tough, they stay true and stand tougher than others. In test after test in the lab, our batteries withstand shocks, knocks, drops and shakes and outperform the other brands. Choose from a variety of chargers, including a rapid-rate, multi-unit charger that handles up to six batteries at one time.

PROVEN TOUGH BATTERY TESTING PASS RATE

MOTOROLA	98%
POWER PRODUCTS	53%
MULTIPLIER	47%
HONEYWELL	52%

See motorolasolutions.com/emea/proventough for details.
